Sponsorship Packages

Why should I sponsor the Gilbert High School Tiger Pride Marching Band?

The Gilbert High School Tiger Pride Marching Band has been recognized as one of the top high school bands in the nation, and is regularly invited to represent Gilbert and the state of Arizona in regional, national, and even international events.

Financial assistance is required to help keep this proud Gilbert tradition alive. Program fees and school budgets only cover a percentage of program expenses; we must rely on fundraising and sponsorships to put a championship-level show on the field each season.

Your company's affiliation with this program will serve your business not only by exposing it to hundreds of families; it associates your business with a superior music program with a tradition of excellence. Sponsorship of this program shows your commitment your community—and the students who represent its future.

NAME & LOGO HERE**

For black sponsorships, the band trailer with your sponsorship decal will be parked along the side of the high school, where it is in clear view of hundreds, if not thousands, of students and families. It travels to away football games and to in- and out-of-state competitions.

Both black and gold sponsorships will be featured in the Gilbert Invitational program and will be seen by the families of 30-40 marching bands from around the state. It will also be featured in programs of marching band and winter guard and drumline events held throughout the year.

For an additional \$100, you can add a banner to either sponsorship level to be displayed at all band functions.
